

"Just when you think you've heard every imaginable sound and genre combination, A Deer A Horse comes along." (Visions)

A Deer A Horse

 from Brooklyn / New York City / USA.

Massive basslines, a firework of guitars, massive drumming, distinctive and in a way temperamental, muscular vocals. Strong songwriting and catchy melodies - never in the way of their dominant riffs.

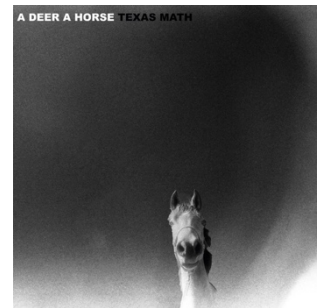

This 4-piece band pushes you in the face with their bass runs, heavy fuzz guitars and plaintive as well as nihilistic lyrics with a sometime grim stoner attitude through a mix of doom-rock and a touch of sludge-metal.

In other words: You can find A Deer A Horse probably in the gaps between such bands as Melvins, Red Fang, Sleater-Kinney or L7.

Either way, this band delivers extremely compelling stuff. Sing along, headbang or both? Your decision!

After a few singles and cassettes, the 2022 debut album "**Grind**", A DEER A HORSE released their 2nd album "**Texas Math**" on Rookie Records in September 2024.

Recorded in Gojira's Silver Chord Studio in New York City, produced and mixed by the band and Jamie Uertz (Gojira, Anthrax).

„Wenn man gerade glaubt, alle erdenklichen Sounds und Genre-Kombinationen schon gehört zu haben, kommen A Deer A Horse daher.“ (Visions)

A Deer A Horse

aus Brooklyn / New York City / USA.

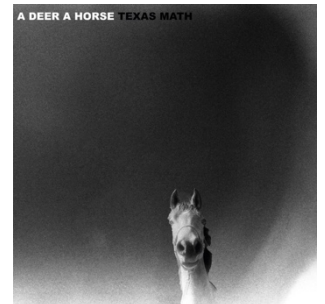

Massive Basslines, massives Gitarrenfeuerwerk, massives Drumming, markante und auf eine Art und Weise temperamentvolle, muskulöse Vocals. Starkes Songwriting und eingängige Melodien – nie im Weg der dominanten Riffs.

Die 4-köpfige Band drückt einem ihre Bassläufe, schwere Fuzzgitarren und klagende wie auch nihilistischen Texte mit einer zeitweise grimmigen Stoner-Attitüde durch einen Mix aus Doom und einem Hauch Sludge-Metal direkt ins Gesicht.

Mit anderen Worten: A Deer A Horse findet man irgendwo in den Lücken zwischen solchen Bands wie Melvins, Red Fang, Sleater-Kinney oder L7.

So oder so liefert diese Band extrem überzeugendes Zeug. Mitsingen, Headbangen oder beides? Your Choice!

Nach einigen Singles, Kassetten und dem 2022er Debut Album „**Grind**“ veröffentlichten A DEER A HORSE im September 2024 das zweite Album „**Texas Math**“ bei Rookie Records. Aufgenommen in Gojiras Silver Chord Studio in New York, produziert von der Band und Jamie Uertz (Gojira, Anthrax).
